

One policy protecting two lives. That's peace of mind.

Get long-term care (LTC) protection for less — together. With the one-of-a-kind joint protection of Asset-Care®, you can cover two people on the same policy for less than two individual Asset-Care policies.

Joint protection Asset-Care is unlike anything else on the market today. Multiple pairings of people can be protected for less money on one policy versus purchasing two individual policies*. Consider your business partner, parent, child, sibling, spouse or other loved one as your plus one and receive access to a larger LTC benefits pool, even if you both need LTC at the same time.

Beyond the cost savings, joint Asset-Care offers more:

- Both insureds are eligible for the full monthly benefit, even if they need LTC services at the same time.
- When one insured passes away, the second can continue to access available LTC benefits.
- If the entire death benefit is not needed for LTC, the second insured can leave any remaining amount to their heirs.

*The two individuals must be within 25 years of age.
